

Commemorative Brick Walkway

We have recently updated the Brick List. At the request of some individuals and families, we are not going to show the images of the brick with the family or individual. However, if you would like your photo with the image of your Brick, please contact the Museum at 309-342-9400. We will do our best to accommodate the wishes of all. Thank you for your support.

The list includes only those memorial bricks laid as of June 2017.

The railroad is just cold steel and diesel fuel. It is the employees that bring it to life. Though the collection of these stories it is hopeful that those who visit this site will learn about railroading and the people whose lives were entwined with it.
